

My nephew Owen is an artist and a student at the Chicago High School for the Arts (CHIARTS). Seeing his most recent masterpiece (pictured here with his permission) cut through all the troubles of 2020 and found the child inside me who yearned for pure, October-colored joy.

Art heals! To make more art possible for more young people, this fall we are offering a special package of three white wines to benefit the Chicago High School for the Arts. 10% of each package sold will be donated to the [CHIARTS giving program](#).

For me, white wines have always been great companions to the flavors and aromas of the bounty of the harvest. Enjoy!
